Click there and look for "Branching out." I'm going to be on the Life and Times show tomorrow night at 6:30pm and again at 1am on KCET/PBS. It was a fun climb in Topanga Canyon State Park.

Unfortunately, it's only available in Southern California and NOT being shown online. I don't even have a TV!!!

They are sending me a DVD copy and I might be able to find a way to get it online.
