
STUFF Magazine!!!

Posted by NickfromWI - 05/18/2006 08:31pm

Are you kidding me? A co-worker showed me this thing in Stuff Magazine. It was a one page with a HUGE picture of someone many of use know...there's a tree boat, too.

It's not very descriptive, but the pics are nice.

Who set that up? Kinda cool!

love
nick

ps- maybe someone can scan a copy of it?
