Perhaps the grass is greener over here in the USofA.

http://www.dailymail.co.uk/pages/live/articles/news/news.html?in_article_id=397240&in_page_id=1766&in_page_id=1766&expand=true

the comments are a jolly gas.

Tree Climbing Kids Arrested

Posted by Oldtimer - 09/08/2006 12:07pm

I see from all the public comments posted that the police is getting an ear full of negative comments specially for collecting DNA samples and arresting these kids. The people have a point, this police action was completely out of order and they did not show any common sense.
