
New Yorkers Get High on Saturday July 14th

Posted by TreeTramp - 07/14/2007 08:36am

Here New Yorkers!!!!!!!!!!!!!! Time to get HIGH in Brooklyn.

Yes I know we all would like to climb that little bridge that Mr. Roebling built in 1883; but nearby will be a better place in a garden.

The Brooklyn Botanic Garden to be exact. With views like this who needs anything else.
