## Nice Story from Milwaukee

Posted by Patty Jenkins - 09/10/2007 12:15pm

---

A big thanks to Mark and Katie Larson for setting up twice for this story! The first time, they got kicked out of the park, so they drove to Wisconsin from their home in Chicago to do this interview.

Check it out!

<http://www.myfoxmilwaukee.com/myfox/>

then put "Tree climbers in Kenosha" into the search field and the video will come up.

Patty

Probably the most compelling media message I've seen for tree climbing, great job by the reporter and Mark and Katie!
