In the news this Month.

I finally received a copy of my AARP magazine and right there on page 66 there is our friend from Oregon Rusel DeMaria celebrating his 59-year-B-day 110 feet up in a Treeboat hammock in a Ponderosa tree near Grant Pass Oregon. I met Rusel in Oregon during the 2005 Rendezvous together with Viola from New Tribe and the rest of their magnificent gear making crew.

Congratulations to Rusel on his B-Day.B)
