Here's a nice piece in Fortune Small Business from a woman who went climbing with Tengu in the rainforest. Good job, Treekster!

Good article. It's interesting to get a perspective from a non-climber. Re: "I'm going to throw up!" Nice job, Tim! People are so curious about what we do, and this will bring climbing into the spotlight again for a while. I wish I had a dollar for every time I've heard, "Whatcha doin?" from the ground. Probably would have paid for my new saddle by now. Here's yer sign...
