## Trees around Sitka, Alaska

Posted by wahoo101 - 04/12/2008 07:31pm

---

Will be in Sitka this July and wanting to climb some of the old growths. Any one know specific locations of some - or just one good one. I grew up in Sitka, climbing trees without gear and couldn't even dream of ascending the big guys. Help me out here, please. Thanks, Ben
