
Happy Birthday TCI

Posted by pattyjenkins - 04/25/2008 12:34pm

Tree Climbers International was officially incorporated on this date 25 years ago. We're proud to be the first organization and school for recreational tree climbers -- and hope you'll celebrate with us by climbing a tree today!

Wow, that's a lot of rings to count. Congratulations! Good luck in the next 25!

Happy Birthday TCI!!:cheer:

Sometime this year (can't remember an exact date) I will have been climbing trees for 25 years. If only I'd known about TCI back then :laugh:

I have only known the TCI associated people for six years and it has been an honor and a pleasure. Friendly, Welcoming, Enthusiastic and Giving! Keep up the good work.B) :laugh:
